ABOUT

Zav came from sanskrit word-Zav which interprets itself as alter, transform or change. In Zav we always ensure that every individual receives a quality education which plays an essential role in transforming the life of the individual as well as their families. We constantly strive to seek excellence in every ambit of education.

VISION-

We are trying to reach every undeserved individual whose deprived of the basic right. We help them realizing their potential through education and building skill and empowered to live a self-determined life. And we trying to Connects individual for a better tomorrow by bridging gaps.

MISSION-

We wants to create a utopia where all individuals will treat equally, will have the right to access the resource, and opportunity in order to live and to become an active and contributing member of society.

KAUSHALYA

Skill Development Initiative

Kausalya is a project that has a specific emphasis on empowering youth and underprivileged women through skill development. Skill training provides an opportunity to enhance their vocational skills and creativity and become self-sufficient for their livelihood and/or get employed.

NEEV

Knowledge Sharing Initiative

We believe every child has the potential to learn, if taught well. We always strive to strengthen the root of education in every child, and the development of students who not only seek formal education but also grow a sense of innate righteousness.

OUR INITIATIVES

REGURU

Teacher Training Initiative

Teachers are key to the success of any education system. Teachers are one of the most influential and powerful forces for access and quality in education. We help them with best of teaching techniques and methodologies for teaching next-gen learners.

PRAYATI

Health & Hygiene Initiative

Health is the most expensive gem. Our aim is to provide preventative guidance and promote early detection of illnesses and work in partnership with health professionals to ensure that all individuals have access to appropriate health care.

YOUreka

Youth Leadership Initiative

YOUreka develops young individuals to be the next generation leaders; preparing them for constructive and responsible involvement in community affairs. We help teens develop important skills such as communication, collaboration, problem solving, and public engagement.

KAUSHALYA

This initiative envisions a society where women and underprivileged independently and confidently help in orienting our nation. Empowering women and underprivileged is an indispensable tool for advancing development. Empower them to contribute to the health and productivity of their whole families and communities to improved prospects for the next generation.

We provide women and youth a unique opportunity to break barriers and the elusive 'glass ceiling', by introducing various income generation skills and allows women to redistribute gender roles and become organized group to promote leadership and empowerment.

Zav's Skill Development Center offers courses in following vocational skills :

Testimonials

It's like a dream come true to me that I'm getting a chance to learn the art of stitching cloths. This is giving me the happiness that I've always wanted. And I want to make this kind of art my way of living.

Praveen Banu
(Student)

Zav offers courses that would always be useful to people & learning it will never be a waste of anything. I have the ability to design cloth for myself and for my kids, this is an advantage to me & it make me happy.

Manasa
(Student)

I was a shy & a nervous person & rarely stepped out of my house, seeing new people only made me nervous. After I started working at Zav . I am now confident about myself and working at Zav has changed my way of living.

Asma Azeez
(Teacher)

From a long time, I was depressed and did not know what to do about it. Learning at ZAV made me mentally stable and gave me a peace of mind.

Kamala Aunty
(Student)
