
Zav Foundation

About Zav Foundation

- Zav, derived from a Sanskrit word “Java” which means the transition from "Dawn to Dusk" or “Dusk to Dawn”.
- Zav is a nation-building initiative that brings together students in need of education and people who can contribute a little time towards teaching them.
- As an NGO, we thrive to bridge the gap between education and individuality

Our History

The Zav Foundation, Bengaluru based Non-profit organization, founded in 2009 by Aman Jain, President of the Zav Foundation, and its meaning, which comes from Sanskrit word “Java” which means the transition from "Dawn to Dusk" or “Dusk to Dawn”. Zav Foundation motto is to improve the present condition of society, work on to reduce discrimination, and to empower the underprivileged individual and women. Overall, Zav Foundation is a platform which ensures that it provides quality education, and Self-reliant skill to sustain the livelihood of underprivileged individual and women and they live their life with pride.

Our Vision

Live-Grow-Change-Create

- Zav dreams of a New Society where people live in harmony, where there is total freedom for the complete growth of the individual, where each person accepts the other as they are with the right attitude.
- We visualize a place where people value peace, love, truth, justice and equality through self change and thus social change. A place where coming together and working together we are able to create a new future.

Our Mission

A young and resilient India poised for higher missions and undeterred excellence.

Our mission is to create an India full of young people who are liberated from weaknesses that are personal and inter-personal; young people who are geared up to take on the future with skills that are honed in a way that there is personal change and thus social change.

Our Value Hierarchy

- Belief in self and others – each person has a spark of the supreme
- Belief in society – the society is a reflection of personal character
- Belief in being there – for self, others and do so willingly
- Belief in a right attitude – towards self, life, work and fellowmen
- Belief in collective action – that together is the right way

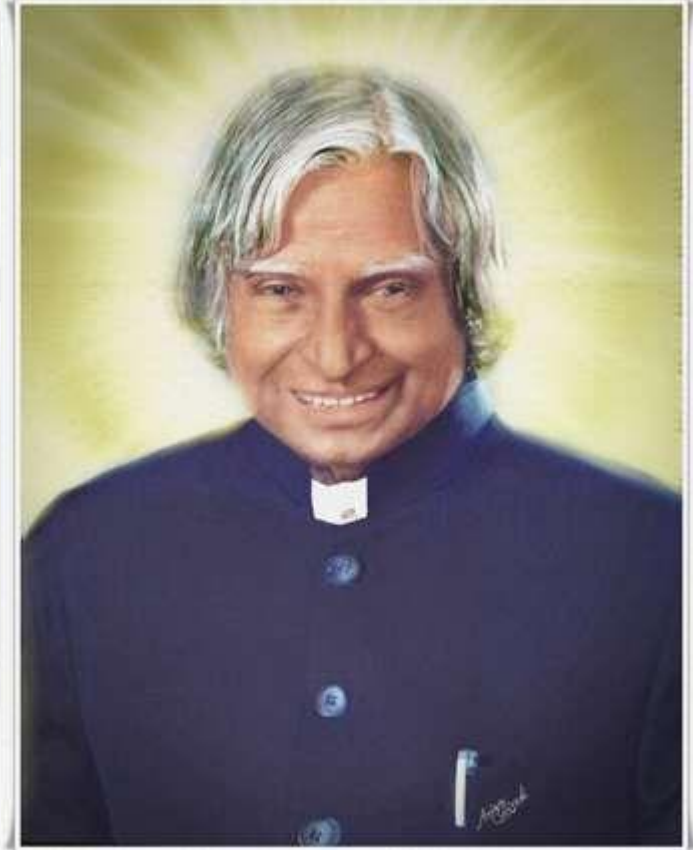

Our Aims & Objectives

- To awaken and transform the student milieu at higher secondary/college level
- Improve productivity of youth of India through personality and leadership development programmes, vocational training programmes and peer-group activities.
- Empower the differently abled
- Create concern among youth for environment with a focus on climate change
- Decision making focused on career choices and positive outlook towards work
- Decision making focused on career choices and positive outlook towards work

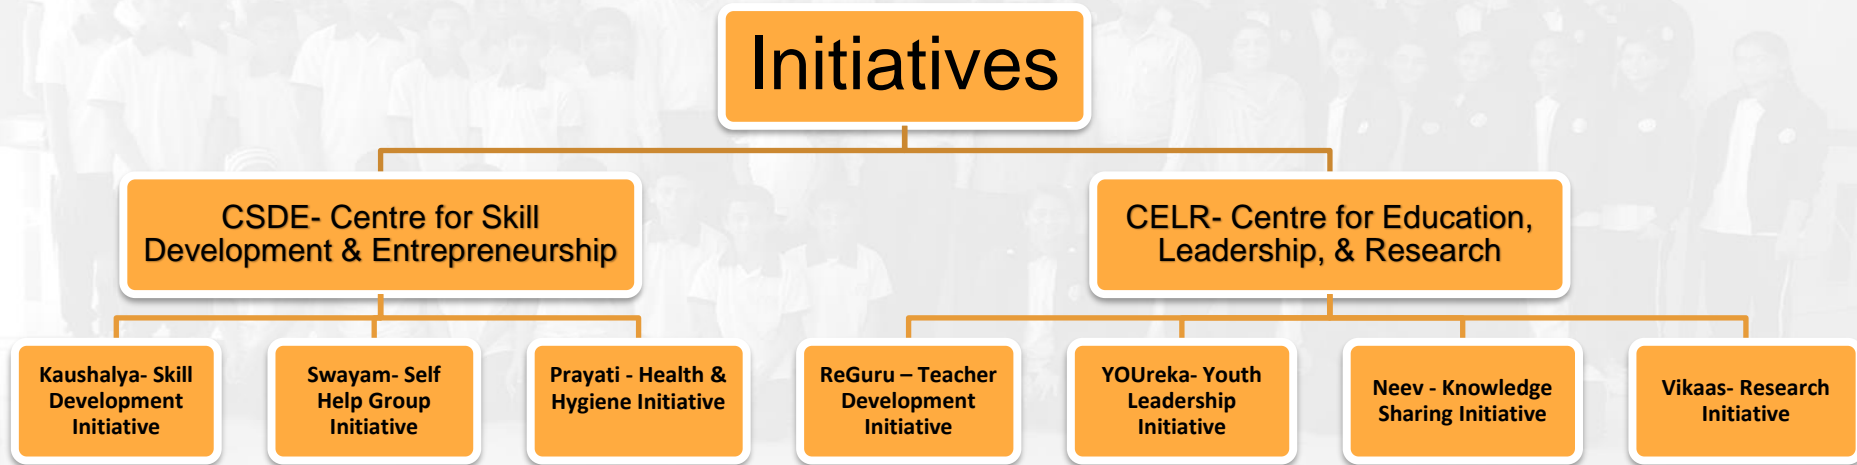

Our Inspiration

Dr A. P. J. Abdul Kalam

“Knowledge with action converts
adversity into prosperity.”

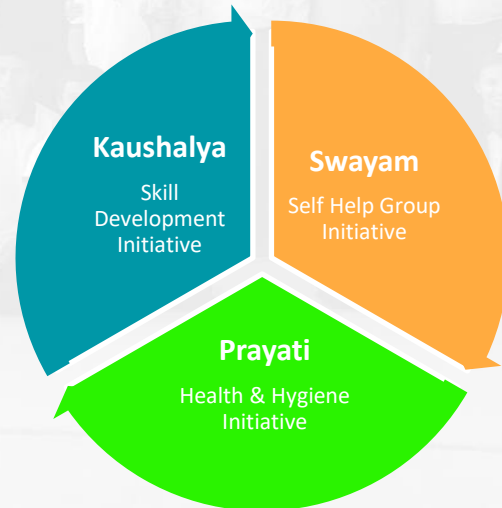

Initiatives

CSDE- Centre for Skill Development & Entrepreneurship

Zav Foundation's initiative "Centre for Skill Development and Entrepreneurship" involves the development of vocational skill-sets for women and unemployed individuals. Skill development is a key to improve employability and income-earning opportunities for women and youth to enhanced sustainable development and livelihoods.

CSDE- Centre for Skill Development & Entrepreneurship

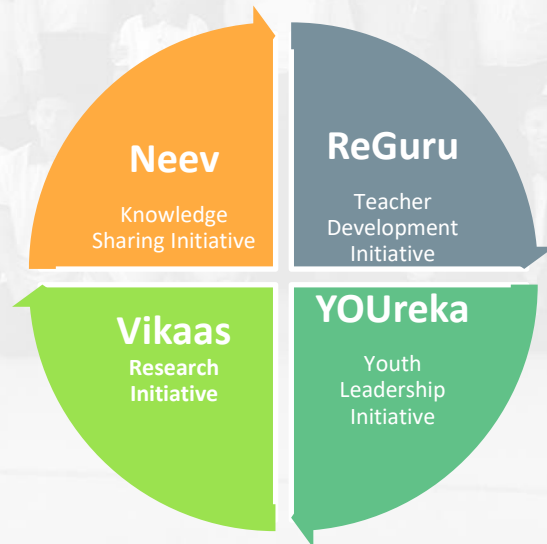

Kausalya- Skill Development Initiative : Kausalya is a project that has a specific emphasis on empowering youth and underprivileged women through skill development. Skill training provides an opportunity to enhance their vocational skills and creativity and become self-sufficient for their livelihood and/or get employed.

Swayam-Self Help Group Initiative : Swayam refers to Sanskrit word which meaning is Self-Reliance. The beautiful jewellery, cloth bags, potlis and designs crafted by the women at the centre are marketed under the brand name Swayam by Zav, providing the necessary operating income for running the centre and the women who are a part of Swayam

Prayati Health & Hygiene Initiative : Health is the most expensive gem. Our aim is to provide preventative guidance and promote early detection of illnesses and work in partnership with health professionals to ensure that all individuals have access to appropriate health care.

CELR- Centre for Education, Leadership & Research

The Zav Foundation's initiative “Centre for Education, Leadership & Research” is for sustainable development allows every human being to acquire the knowledge, skills, attitudes, and values necessary to shape a sustainable future. It also requires participatory teaching and learning methods that motivate and empower learners to change their behavior and take action for sustainable development. Education for sustainable development consequently promotes competencies like critical thinking, imagining future scenarios, and making decisions.

CELR- Centre for Education, Leadership & Research

ReGuru-Teacher Development Initiative : Teachers are key to the success of any education system. Teachers are one of the most influential and powerful forces for access and quality in education. We help them with best of teaching techniques and methodologies for teaching next-gen learners.

YOUreka- Youth Leadership Initiative : YOUreka develops young individuals to be the next generation leaders; preparing them for constructive and responsible involvement in community affairs. We help teens develop important skills such as communication, collaboration, problem solving, and public engagement.

Neev- Knowledge Sharing Initiative :. We believe every child has the potential to learn, if taught well. We always strive to strengthen the root of education in every child, and the development of students who not only seek formal education but also grow a sense of innate righteousness.

Vikaas- Research Initiative : It is a platform by Zav Foundation Formerly knows as CDSR (Centre for Development studies and Research). It provides various facilities such as enabling research scholars, master's students and professors across the country to publish their work on Zav's website under a journal named Vikaas. Vikaas is designed keeping Vision 2020 and (United Nations Sustainability Development Goals in the context
