MESSAGE FROM THE PRESIDENT

2021 continued to be a challenge to us as we were still dealing with the aftermath of the pandemic. With several of our initiatives being put on hold, we continued to support the society by providing essentials to the needy, organizing blood donation camps and upskilling our students. Through these efforts we pursue our mission of creating a young and resilient India poised for greater missions and undeterred excellence. Zav is also proactively taking steps to get back on track as soon as possible so that we can create a positive impact on a larger scale. Lastly, as always we at Zav continue to chase our mission and vision of reshaping India by addressing a variety of urgent challenges and thereby, enabling us citizens to be liberated from personal, interpersonal flaws and be ready to take on the challenges of the future.

BOARD MEETINGS

Annual meet of board members was held at Zav Foundation, Bangalore. The meeting was held to address various issues that Zav faces in the initiatives and also to devise an entire structure of the implementation of these phases. Further, the trust address was re-registered to: Centre for Skill Development & Entrepreneurship, No. 4, 1st Cross, 1st Main Road, Shakambari Nagar, 1st Phase, J P Nagar Bengaluru - 560079.

Four quarterly board meetings were held to review various approaches for monitoring Zav's success and achieving key objectives, as well as to consider future activities. In the first Board meeting for the year a renewed structure for the initiatives at Zav was established.

PROVISION KIT DONATION

In continuation of our efforts from last year a fundraiser was developed, planned, and implemented to help daily wagers, and migrant workers. The funds raised were used to provide families in Bengaluru with essential food kits and medical supplies. Beneficiary identification was done specifically by the trustees to ensure genuinity and trust in the people of the communities Zav Foundation serves. In all fourteen kits were donated

"Smt Jyothi's husband passed away in the pandemic and she lost her job in the textile industry. Zav supported her by providing essential food supplies in times of need."

"Sri Lalith Kumar who was the sole breadwinner of the house was hospitalised for fifteen days due to Covid and also lost his job. Zav supported his family with essentials required for survival."

BENEFICIARIES OF COVID RELIEF WORK

**Sri Bhaskar Bhat
Purohit**

Sri Ramu

Sri Lalit Kumar

**Sri Raghavendra Bhat
Purohit**

Smt Uma

Smt Jyothi

BENEFICIARIES OF COVID RELIEF WORK

Sri Rakesh

Sri Santosh

Sri Thilak

Sri Lokesh

Sri Gunamani

Sri Yogesh

Sri Shashank

Sri Ravi

EDUCATIONAL INITIATIVES

Giving away books allows them to live again. For many children from disadvantaged backgrounds, books—both new and gently used—mean the world to them and may even be the only books they ever get to call their own. Books teach children empathy and the distinction between good and evil, instill morals and ideals to them without seeming preachy, helping them make sense of the world around them.

With this in mind, Zav, donated around two hundred books, two desktops and printers to Karnataka Seafarers Charitable Trust. These are to be used by the government schools in Vidyanpura locality, Bangalore.

Mr. Ramachandran, who received the books on behalf of the trust expressed his gratitude by saying " *Today, we collected around two hundred books and two desktop systems and Printers from Mr Satish, ZAV Foundation. These will be used in the Government Schools around Vidyanpura, Bangalore. We heartily thank ZAV Foundation for the donation.*"

DONATION OF TAILORING MACHINES

As a way of extending support to our students who have taken up our courses at centre for skill development and entrepreneurship, we at Zav decided to support our students with tailoring machines, hence based of appropriate criteria, few students for our school and L&T Vocational Training Centre, Arahalli, were identified and up to five tailoring machines in all were donated to the students.

The program was a resounding success, and many of the participants are able to find employment post training. The initiative was a life-changing experience for many of the students, and it helped them create a brighter future for themselves.
